

87 9-INCH RESCUE TOOL

As a first responder, your job requires tools that are reliable and versatile. The CHANNELLOCK® 87 9" Rescue Tool pries open windows and doors, cuts wires and cables easily, shuts off gas safety valves and loosens hose couplings. Made from high alloy steel that is specially coated with the ultimate rust preventative. U.S. Patent No. 8,065,939.

- 30% lighter than the 89 Rescue Tool for compact storage
- Fits securely in bunker pockets
- Narrow jaw profile fits in tight spots
- Standard battery cables are no match for its cutting power
- Hardened cutting edges shear through soft metal
- Spanner wrench tightens and loosens up to 5" hose couplings
- Pries open windows and doors
- Shuts off gas safety valves
