- Includes four 3-in casters
- Exterior dimensions: 32.25 in D by 6.75 in H
- Ideal for use with optional drum tray with grating model 1615

## Description

Eagle’s 55-gallon drum spill tray dolly model 1618 provides the perfect solution for safely transporting and moving your 30 and 55 gallon drums. Featuring four 3-in caster wheels for smooth and effortless mobility, the durable steel construction ensures that the dolly can withstand heavy loads of up to 1000 lbs. (453.6 kg).

For optimum efficiency and reduced chance of spillage or leaks during transport, use this 55 and 30 gallon drum dolly with the optional [drum tray with grating, model 1615](#). This tray is designed to fit snugly around the bottom of your drum or barrel, ensuring that any spills are contained and do not pose a risk to your workplace or the environment. The [55 gallon drum spill tray without the grating, model 1614](#), is also available.

This steel drum dolly offers multiple benefits, like preventing costly workplace injuries that come about when proper safety equipment isn’t used or available. Besides drums, model 1618 can also be used for moving barrels, trash cans and other cylinder-shaped objects.
